

VOLUNTEER YOUR TIME

FOR LEADERSHIP AND COMMITTEE POSITIONS

Have you considered serving on the Kansas Masonic Foundation Board of Trustees or one of the Committees?

[REPLY FORM ON BACK](#) ▶

It's a stimulating time to be in a KMF leadership position and a great moment to step into a key role with KMF by volunteering your time, talent and treasure.

We need your help identifying "new blood!" KMF seeks a balanced committee membership that mixes bright, enthusiastic people with seasoned members interested in helping lead our Foundation into the future.

The Foundation encourages members to self-nominate, or recommend a fellow Mason for one or more of the various leadership and committee service roles. Nominations received are compiled and reviewed by the Nominating Committee.

Based on this pool of nominees, the Nominating Committee will make its recommendations for elected and appointed positions. Active Masons in good standing are eligible to serve as a Trustee for the Foundation. Those interested in Committee positions are appointed by the President.

KMF Trustee terms are 3-years and Committee appointments can be for as short as one-year or ongoing service as desired. Committee Members often times enjoy their service and become Trustees.
