A MESSAGE FROM OUR PRESIDENT

“Alone we can do so little; together we can do so much.” Helen Keller

The Kansas Masonic Foundation is striving to achieve our vision that **Kansans will know Masons by their Charitable Works.**

Towards this endeavor, the KMF Board of Trustees is committed to making the most of our charitable dollars budgeting to spend over \$1.7 million to a wide variety of good works across the State of Kansas in this fiscal year. We continue to support the cancer research at the University of Kansas Medical Center and the Masonic Cancer Alliance and to support the Kansas Masonic Literacy Center.

We are also focused on supporting our Lodges in their charitable works within their communities. Our Kansas Masonic Charities will match up to \$2,500 of a local lodges charitable contributions. We awarded 190 scholarships to Kansas students this year. We promote economic growth by supporting the Kansas Entrepreneurship Challenge at K-State and help communities by working with the Kansas Pride Program.

Of course, the financial integrity of your Foundation is paramount in our work. Overseeing total assets of \$26,956,841 is done with rigor and attention to investing, diversification and cash flow management. The following Annual Report is offered to provide our investors with data on the Foundations activity in the most recent year.

On behalf of our Board of Trustees, we thank you for your continued support of the work of the Kansas Masonic Foundation.

“If you want to lift yourself up, lift up someone else.” Booker T. Washington

Fraternally and Sincerely,
