A message from our President

"Freemasonry is an order whose leading star is philanthropy, and whose principals inculcate an unceasing devotion to the cause of virtue and morality." — MARQUIS DE LAFAYETTE

The Kansas Masonic Foundation continues to meet our mission: "Expanding philanthropy in the fields of charitable, educational, and scientific programs."

In this endeavor, the Kansas Masonic Foundation has contributed $1.5 million in charitable funding to facilitate, energize, and enable a variety of good works across the State of Kansas. We support cancer research at the University of Kansas Cancer Center and the Masonic Cancer Alliance. In the last years, Kansas Masons have contributed $500,000 to purchase the Mobile Mammogram Cancer Screening Van which began its touring mission of providing services to Kansas communities in partnership with our Masonic Lodges. Additional financial support was awarded to the University of Kansas Cancer Center and Masonic Cancer Alliance supporting informational programs and knowledge-based assistance to Kansans.

Kansas Masonic Lodges have distributed valuable financial support in their communities through the Matching Funds Program. Annually, this program provides each Masonic Lodge with a unique opportunity to receive a KMF matching dollar amount of up to $2,500 toward their charitable community giving. We awarded over 200 scholarships to Kansas students this year. Sponsorship of the NextGen Under 30 Program continues to deliver recognition of young professionals and leaders in Kansas.

Kansas Masons are changing the lives of children and families by supporting high school students through activities associated with the Kansas Shrine Bowl and Shriners Children's Hospital in St. Louis. The Exemplary Teacher and Student Award Program delivers grass-roots recognition of their valuable contributions to Kansas education. Finally, Kansas Masons support our Fraternity Brothers, Widows, and Orphans in need through the Fulfilling Our Obligation and Almoner's Fund Programs administered by the Kansas Masonic Foundation.

The financial integrity of your Foundation is paramount in our work. The Annual Report provides oversight into the rigorous attention paid to investing, diversification, and cash flow management.

On behalf of the Kansas Masonic Foundation Board of Trustees and operations staff, your continued support is appreciated, thank you.

"Kansans will know Masons by their charitable works."

Sincerely,

Lincoln L. Wilson, Jr.

Matching Funds

Doubling the effort in Kansas communities all across the state, Kansas Masonic Lodges are finding innovative ways to take advantage of the new KMF Charities Matching Funds Programs. The Kansas Masonic Foundation provides nearly 170 Lodges across the state annually up to $2,500 each in matching funds to help support local community philanthropic endeavors.
